OPTIONAL ACCELERATED DEATH BENEFIT FOR LONG TERM CARE

This Benefit was elected by You as part of Your Coverage

[Please read this Benefit carefully. The waiting periods in the Suicide and/or Contestability Provisions are different from those in the Certificate and begin on the Date of Issue of the Benefit.]

TAX QUALIFICATION NOTICE: The Accelerated Benefits offered under this Benefit are intended to provide a qualified Accelerated Death Benefit that is excluded from gross income for federal income tax purposes under the applicable provisions of the Internal Revenue Code in existence at the time this Benefit is issued. To that end, the provisions of this Benefit and the Certificate are to be interpreted to ensure or maintain such tax qualification, notwithstanding any other provision to the contrary. We reserve the right to amend this Benefit or the Certificate to reflect any clarifications that may be needed or are appropriate to maintain such tax qualification or to conform this Benefit or Certificate to any applicable changes in such tax qualification requirements. We will send the Certificate Holder a copy of any such amendment. Whether any tax liability may be incurred when benefits are paid under this Benefit could depend on how the Internal Revenue Service interprets applicable provisions of the Internal Revenue Code. Tax laws relating to Accelerated Benefits are complex. Certificate Holders are advised to consult with a qualified tax advisor about circumstances under which they could receive Accelerated Benefits excludable from income under federal law.

Receipt of an Accelerated Benefit may affect the Certificate Holder and the Certificate Holder's spouse or family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. Certificate Holders are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect his or her spouse and his or her family's eligibility for public assistance.

NOTICE TO BUYER: This Benefit may not cover all of the costs associated with long term care incurred by the Insured during the period of coverage. We advise that You carefully review all limitations of this Benefit as well as those of the Certificate to which it is attached in relation to the costs of long term care.

NOTICE TO PERSONS ELIGIBLE FOR MEDICARE: This is not a Medicare Supplement Certificate. If the Insured is eligible for Medicare, review the Medicare Supplement Buyer's Guide available from the Company.

CAUTION: The insurance under this Benefit is based on the Certificate Holder's responses to questions on the Enrollment Form. A copy of the completed Enrollment Form is attached. If any answers are incorrect or untrue, We have the right to deny benefits or rescind Your Benefit. It is best to correct any answers before a claim arises. If, for any reason, any answers are incorrect or untrue, contact Us at the address or phone number shown below.

Benefit Effective Date: The effective and expiry dates of this Benefit are effective on the Coverage Date shown on the Certificate Schedule. Coverage under this Benefit will not be in effect unless the coverage to which it is attached becomes effective.

Death Benefits, Surrender Values, and Loan Values, if any, will be reduced if an Accelerated Death Benefit is paid. The Accelerated Death Benefit, related charges, interest, discounts or liens, if applicable, and the balance of the death benefit provided by the Certificate shall constitute full settlement on maturity or death of the Insured as provided under the Certificate. For term Certificates, no maturity payment is available at the end of the term period.

Where to Get More Information, Correct Information on the Enrollment Form, or Make a Complaint:
You can write Us at our Administrative Office: [17 Church St., Keene, NH 03431] or call [1-877-352-3303]

Benefit Part Of Coverage: This Benefit is part of Your Coverage provided in response to Your Enrollment Form and payment of premiums for this Benefit. Those premiums are shown on the Certificate Schedule. All the provisions of the Certificate apply to this Benefit.

Benefit: This Benefit provides that You may elect to receive a portion of the Death Benefit provided by the Certificate and shown in the Certificate Schedule, when the Insured becomes eligible for benefits by being certified as a Chronically Ill Individual, Confined to a Nursing or Assisted Living Facility or receiving Home Health or Adult Day Care and the conditions of this Benefit are met.

Guaranteed Renewable: You have the right, subject to the terms and conditions of this Benefit, to continue this Benefit as long as You pay any required premiums and the Certificate is in force. We cannot change any of the terms of this Benefit on our own except We may increase the premium subject to the guaranteed maximum premium shown on the Certificate Schedule. Any change in premium will be made on the Benefit Coverage Date. The new premium will be based on the Insured's age and Premium Class on the Benefit Coverage Date. We must notify You at least 45 days before changing the premium. Notice will be mailed to Your last address as shown on Our records.

We may change premium rates only if We change them on all Benefits on this form in the state where the Benefit was issued. The current premium and the guaranteed maximum premium amounts are shown on the Certificate Schedule. We will make no change in premiums solely because of claims made under this Benefit, because of increased age or change in mental or physical health. While this Benefit is in force, We cannot change any of its provisions, cancel it, or refuse renewal.

BENEFITS

Monthly Accelerated Death Benefit for Confinement: The Monthly Accelerated Death Benefit for Confinement amount is shown in the Certificate Schedule. After We receive proof satisfactory to Us that the Insured has met the Conditions on Eligibility for Payment of Benefits described in this Benefit. We will pay You the Monthly Accelerated Death Benefit Amount for Confinement for each Benefit Month or fraction thereof during which the Insured continues to meet such eligibility requirements, subject to the Maximum Remaining Accelerated Death Benefit Amount and any Reduced Benefits Due To Unpaid Coverage Loans.

Monthly Accelerated Death Benefit for Home Health Care or Adult Day Care:

The Monthly Accelerated Death Benefit for Home Health Care or Adult Day Care amount is shown in the Certificate Schedule. After We receive proof satisfactory to Us that the Insured has met the Conditions on Eligibility for Payment of Benefits described in this Benefit, We will pay You the Monthly Accelerated Death Benefit for Home Health Care or Adult Day Care for each Benefit Month or fraction thereof during which the Insured continues to meet such eligibility requirements, subject to the Maximum Remaining Accelerated Death Benefit Amount and any Reduced Benefits Due To Unpaid Coverage Loans.

Maximum Remaining Accelerated Death Benefit Amount:

The Monthly Accelerated Benefit may not be larger than the Maximum Remaining Accelerated Death Benefit Amount. The Maximum Remaining Accelerated Death Benefit Amount equals the current death benefit provided by the Certificate, minus any outstanding loan and the total of all previous Monthly Accelerated Death Benefit Amounts paid under this Benefit to You. The current death benefit as used here does not include accidental death benefits, life insurance provided by any other Benefit provided by other Certificates, or any insurance provided on the life of someone other than the Insured.

Monthly Accelerated Death Benefits Under Paid Up Options: If premiums for the Certificate and this Benefit terminate resulting in a remaining paid-up life insurance death benefit under The Policy, Monthly Accelerated Death Benefit Amounts may continue to be payable if the Insured has met the Conditions on Eligibility for Payment of Benefits described in this Benefit. When a paid-up life insurance death benefit remains under the Certificate, the Maximum Remaining Accelerated Death Benefit Amount will equal this paid-up benefit, minus any outstanding loan and the total of all previous Monthly Accelerated Death Benefit Amounts paid under this Benefit to You. The current death benefit as used here does not include accidental death benefits, life insurance provided by any other Benefit provided by other Certificates, or any insurance provided on the life of someone other than the Insured.

Reduced Benefits Due To Unpaid Coverage Loans: We will require that a portion of any outstanding loan balance be deducted from any Monthly Accelerated Death Benefit payment. The portion will equal the outstanding unpaid loan balance multiplied by the ratio of the Monthly Accelerated Death Benefit payment to the Maximum Remaining Accelerated Death Benefit Amount.

Waiver of Premium: While the Insured is eligible for a Monthly Accelerated Death Benefit, We will waive the premiums due for the Coverage provided by The Policy and the premiums for Benefits attached to the Coverage.

EFFECT ON THE POLICY BENEFITS IF CERTIFICATE BENEFITS ARE PAID

Adjusted Death Benefit Due to Acceleration: The current death benefit payable at the death of the Insured under The Policy will be reduced by the total of all previous Monthly Accelerated Death Benefit Amounts paid under this Certificate to You. If the Insured dies while The Policy is in force, the remaining Death Benefit proceeds will be paid to the Beneficiary and no further payments under this Certificate will be made to You.

Adjusted Cash Surrender and Loan Value Due to Acceleration: Any Surrender Value payable under the Certificate will be reduced by an amount equal to (1) multiplied by (2):

1. The current death benefit minus the Adjusted Death Benefit
2. The ratio of the Surrender Value to the current death benefit.

Any Loan Value payable under The Policy will be reduced by an amount equal to (1) multiplied by (2):

1. The current death benefit minus the Adjusted Death Benefit
2. The ratio of the Loan Value to the current death benefit.

Adjusted Premiums Due to Acceleration: While the Insured is eligible for a Monthly Accelerated Death Benefit, We will waive the premiums due for the benefits provided to You by the Certificate. If the Insured later becomes ineligible for a Monthly Accelerated Death Benefit and a Maximum Remaining Accelerated Death Benefit Amount is still available, We will reduce the premium due for the Coverage and this Benefit attached to it. That reduced premium equals (1) multiplied by (2), plus (3):

1. The premium due on the Coverage and the benefits for this Benefit;
2. The ratio of the adjusted Death Benefit to the current death benefit for the Certificate;
3. The current premium for any other Benefit attached to the Coverage.

The Coverage policy fee will not be reduced.

Termination of Coverage due to Acceleration: If the Maximum Remaining Accelerated Death Benefit Amount is reduced to zero or less, either due to payment of a Monthly Accelerated Death Benefit or due to a reduction in the death benefit provided under The Policy, the Coverage provided by the Certificate and any Benefits will terminate with no further benefits payable, except as noted in the Delay of Termination Due to Scheduled Increase in Death Benefits provision.

Delay of Termination Due to Scheduled Increase in Future Death Benefits: The Certificate and any Benefits will not terminate due to the Termination of Coverage due to Acceleration provision if the life insurance Coverage provided by the Certificate is scheduled for a future guaranteed increase in death benefits with no corresponding increase in premium per the terms of the Certificate. In this case, The Certificate and this Benefit will continue in force until such time that the Maximum Remaining Accelerated Death Benefit Amount is increased due to the scheduled increase in death benefits. At that time, if the Insured is still eligible for a Monthly Accelerated Death Benefit, such payments may resume per the terms of this Benefit. During this period, Waiver of Premium or adjusted Premiums Due to Acceleration continue per those provisions. Notwithstanding the provisions in this paragraph, The Certificate and any Benefits will immediately terminate upon the death of the Insured and payment of the adjusted Death Benefit, if any.

Restriction on Changes to Certificate and Benefits: While the Insured is eligible for a Monthly Accelerated Death Benefit no changes may be made to the Coverage provided by The Policy or to any Benefit attached to the Coverage.

Effect on Accidental Death Benefit: While the Coverage is in force, any Accidental Death Benefit under the Certificate will not be affected by the acceleration of benefits under this Benefit.

Monthly Report Showing Effect of Benefit Payments: While Benefit payments are being paid, We will provide You with a monthly report that shows the effect each Benefit payment has on Coverage values.

In any given month the Insured qualifies for both benefits, We will pay the Monthly Accelerated Death Benefit for Confinement.
2. We will not pay any Accelerated Death Benefit for any sickness condition or Plan of Care that begins during the Waiting Period
3. We will not pay any Accelerated Death Benefit before the end of the Elimination Period.
